### L.A. Health Collaborative

*Immigrant Health Access Taskforce Meeting: Friday, June 30, 2017, 10:00 a.m – 12:00 p.m.*

The California Community Foundation launched the **Immigrant Health Access Task Force** to convene health clinics and hospitals, WIC centers, service providers and all other related provider organizations that are serving immigrant clients/patients to create a space to share information, challenges, media efforts and plan an education and engagement strategy.

Everyone is invited to attend, free of charge. The meeting will be held at the Joan Palevsky Convening Center at the California Community Foundation (281 South Figueroa Street, Suite 100 Los Angeles, CA 90012).

This next meeting will serve as a training for clinic supervisors and front level staff on:

- How to identify a valid ICE warrant during a raid?
- What to do during an ICE raid/encounter at work?
- How to protect your patients' information prior to a raid/encounter.
- Suggested universal raid procedures for any service provider.

### *National Immigration Law Center (NILC) Tool Kit for Health Care Providers*

NILC is preparing a tool kit to assist health care providers in addressing immigration concerns raised by community members. The tool kit will be available on the NILC website: [www.nilc.org](http://www.nilc.org). ITUP will notify the LA Health Collaborative attendees when the tool kit is available.

NILC has the following “Know Your Rights” material already available on its website:
