Each year ITUP releases Regional Health Coverage fact sheets for its 10 ITUP Regional Equity Collaborative locations (formerly ITUP Regional Workgroups). These publications are overviews highlighting key coverage facts across all coverage types county-by-county.

About ITUP

ITUP is an independent, nonprofit, health policy institute that has been a central voice in the California health landscape for more than two decades. ITUP serves as a trusted expert, grounded in statewide and regional connections with a network of policymakers, health care leaders, and stakeholders. The mission of ITUP is to promote innovative and workable policy solutions that expand health care access and improve the health of all Californians.

ITUP is generously supported by the following funders:

- California Health Care Foundation
- The California Endowment
- The California Wellness Foundation
